

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Specifications and Advertisement for Bids for Three/Quarter-Ton Cab and Chassis for Water/Wastewater Division

MEETING DATE: December 18, 1996

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the specifications for the above project and authorize advertising for bids.

BACKGROUND INFORMATION: Funds to purchase a three/quarter-ton cab and chassis for the Water Utility of the Public Works Department were approved and budgeted in the 1996/97 Water Equipment Fund. This unit will be used by a new Plant and Equipment Mechanic on a daily basis. The new Plant and Equipment Mechanic will primarily be performing operation and maintenance duties on GAC Systems at various well sites. Other Water/Wastewater Division personnel will utilize it in responding to system problems and customer calls after hours, on weekends, and holidays. This unit will provide the flexibility and versatility to perform a variety of maintenance functions and ensure our water customers quality service.

The specifications are on file in the Public Works Department.

FUNDING: The money for this project will be coming from the Water Equipment Fund. A request for appropriation of funds will be made at contract award.

Project Estimate: \$24,000
Budgeted: 1996/97 fiscal year
Planned Bid Opening Date: January 9, 1997

Jack L. Ronsko
Public Works Director
